The University of Illinois is proud to offer two different electronic payment methods to choose from: ePayables or ACH

How would you like to receive your payments from the University?

ePayables Virtual Credit Card or ACH (direct deposit) Must have a **United States bank account** for ACH

- An ePayables transaction is an electronic payment that is sent directly to your virtual credit card, along with a payment notification email and remittance advice details from the email you provide to the program. You then pull the funds off the card. A small processing fee is charged to your card from your card processor.
 - An ACH transaction (direct deposit), is an electronic payment that is sent directly to your bank account. Please work with your bank to verify that you can receive the remittance advice. We send a standardized ANSI 820CTX EDI format.
- Paper Check – Please ensure mailing address is correct. Preferred for one-time payments.

To be enrolled in the ACH program, you MUST have a US bank account. A separate ePayables or ACH Agreement will be required to receive electronic payments. Once we have processed this Vendor Information Form, a separate email from OBFS UIVendor will be sent to you with a link (Adobe Sign) to our electronic payments agreement. Please use that link to complete the agreement. You will receive an email notification when you have been setup for electronic payments. Please feel free to contact uiepayments@uillinois.edu with any questions.
