A. Important Highlights

Fact Sheets for self-supporting and practice plan funds

- To ensure the appropriate general ledger accrual entries are made in Banner for fiscal year-end, it is imperative that Fact Sheets are carefully completed for all self-supporting funds and DSP/NSP/OHSP practice plan funds. Please ensure the Fact Sheet contains accurate information for all activities described in Section E-5: Fact Sheet Requirements.

Closing periods/statements

- The University has two FY14 year-end closing periods (period 12 and period 14) to facilitate the recording of all FY14 transactions in the Banner general ledger. Period 12 will close on July 12; period 14, which is restricted to certain OBFS users, will close on July 26.
- June 30 statements will be available for period 12 and period 14; in addition, preliminary statements that include June transactions posted through July 5 will be provided to assist with year-end review prior to the closing of period 12.

Posting journal voucher entries to the proper fiscal year

- FY14 and FY15 will both be available for processing of transactions during the month of July. Therefore, special care must be taken to ensure entries posted in July are recorded in the proper fiscal year.
- When posting journal vouchers, the transaction date used determines to which fiscal year the transaction will post. Banner journal voucher forms (FGAJVCD, FGAJVCM, and FGAJVCQ) automatically default to the current calendar date as the transaction date. Therefore, **journal vouchers entered in July will post in FY15 unless the transaction date is manually changed to a June date. FOR A TRANSACTION TO POST IN FY14, YOU MUST MANUALLY CHANGE THE TRANSACTION DATE TO A JUNE 2014 TRANSACTION DATE.**

Rolling FY14 balances to FY15

- On July 12, open encumbrances, requisitions and purchase orders will roll forward to FY15 and general ledger balances will roll to establish FY15 beginning balances. Transactions posted to FY14 by OBFS between July 13 and July 26 will be added to FY14 balances and automatically update FY15 beginning balances.
- Units will not be permitted to post any FY14 transactions after the close of June Period 12 (on July 12).
- General ledger and accounts payable feeders for FY14 must be submitted no later than July 11. However, users are strongly encouraged to post them earlier to enable corrections to be made if needed.
- Remaining FY14 budget balances will roll to FY15 on July 26.

Use of state fund codes during July and August

- State fund codes relate to a specific appropriation year. State funds have the appropriation year as a part of the assigned Banner fund code such that the last two digits represent the appropriation year. For example, FY14 state appropriation fund codes end in 14 (such as 100014) and FY15 fund codes end in 15 (such as 100015).

- Appropriation year 2014 transactions must therefore be assigned to appropriate FY14 fund codes ending in 14 and appropriation year 2015 transactions must be assigned to appropriate FY15 fund codes ending in 15.
- Effective June 30, 2014, FY14 State fund codes in iBuy will be inactivated.
- Effective July 1, 2014, index codes and fund defaults that include FY14 state fund codes will be converted automatically to include corresponding FY15 state fund codes ending in 15. Therefore, **beginning July 1, anyone using index codes or fund defaults to record FY14 state fund entries must manually enter or change the automatically populated fund code to the FY14 fund code ending in 14.**
- Effective July 1, 2014, units with iBuy profiles that contain the FY14 state fund as a part of their default C-FOAPAL must **manually update** their iBuy profile by changing the default fund code from 100014 to 100015.
- Effective July 1, 2014, appointments (other than 9/12) paid on state funds will automatically be converted on job labor distribution records from the FY14 fund codes to the FY15 fund codes. State funded 9/12 appointments will be assigned the FY15 fund code using a June 16 effective date.
- Effective July 1, 2014, P-Card default C-FOPs on state funds will be converted automatically from the FY14 fund code to the FY15 fund code ending in 15.
- Effective July 1, 2014, FY15 state funded project codes related to the Travel and Expense Management system (TEM) will automatically be created.
- Any unapproved P-Card transactions still on FY14 state funds at the end of Period 12 will be converted automatically from the FY14 fund code to the FY15 fund code.

Use of work study fund codes

- Effective July 1, 2014, the last two digits of the Federal Work Study funds will change from 14 to 15 to reflect the new fiscal year.
- The FY15 Federal Work Study funds are 498115 (Urbana), 498215 (Chicago), and 498415 (Springfield).
- Effective July 1, 2014, payroll appointments paid on Federal Work Study funds will be automatically converted on job labor distribution records from the FY14 to the FY15 fund code ending in 15.

C. Calendar of Critical Dates

UIC Purchasing will issue revised I-Buy requisition instructions for UIC units on March 17

February 21, 2014	Commodities, general services, and/or professional and artistic services purchase requisitions for \$1,000,000 or more are due in the Purchasing Division.
February 28, 2014	Sole source purchases are due in the Purchasing Division.
March 7, 2014	To ensure use of FY14 funds for purchases, the following properly completed and approved purchase requisitions must be received in the Purchasing Division: <ul style="list-style-type: none">• Commodities and general services requisitions for \$54,600 to \$999,999• Professional and artistic services requisitions for \$20,000 to \$999,999
March 21, 2014	All non-sole source purchases requiring Board of Trustees approval are due in the Purchasing Division (Board of Trustees meeting on May 14, 2014).
May 9, 2014	Contract documents up to \$19,999 for professional and artistic services rendered by June 30, 2014, along with the appropriate contract approval form, must be received in Purchasing. To ensure use of FY14 funds for purchases, the following properly completed and approved purchase requisitions must be received in the Purchasing Division. <ul style="list-style-type: none">• Commodities and general services requisitions up to \$54,600• iBuy completed and approved requisitions from \$5,000 and up to \$54,600• Construction and construction-related services requisitions (other than those for professional services) up to \$76,600.
May 22, 2014	For FY14 state-funded contracts payable from General Revenue, Education Assistance or Capital Development Funds, the related contract documents and appropriate administrative approval forms, along with the Board of Trustees approval summary, must be submitted to University Payables to ensure that the contract is obligated with the State Comptroller's Office by June 30, 2014.
May 23, 2014	Departments should zero out all inactive funds and submit requests for their termination. All overdrafts in sponsored project funds (400000 through 599999) should be cleared, unless the project will be continued with additional funds as documented on an approved Request for Anticipation Fund (Form GC70) or prior arrangements have otherwise been made with the Grants and Contracts Office.
May 30, 2014	All requests to increase FY14 purchase order encumbrances must be transmitted to Purchasing by 5:00 p.m. Journal vouchers cannot be used to adjust purchase order encumbrances. See also references to state-funded orders under August 22.
June 16, 2014	State funded 9/12 payroll jobs will be converted from the FY14 to the FY15 state fund code with a June 16 effective date.
June 20, 2014	Departments must submit by 5:00 p.m. all requests for returning gift funds (fund type 4M) from Banner to the UI Foundation for reinvestment into a UIF endowment or quasi-endowment via the form at https://online.uif.uillinois.edu/infocenter/Sec11-8TransferBANNERmoney.pdf . The UI Foundation must review and approve these forms before any transfer can be made.

Departments must notify UAFR – Administrative Accounting to request the reinvestment of accumulated University endowment income fund cash balances into quasi-endowment funds.

June 20, 2014

Departments should no longer use FY14 state funds when submitting orders under \$5,000 in iBuy. All state fund orders must be approved and posted to Banner to ensure FY14 state funding. Allow time for requisitions to pass through iBuy departmental approval queues. Departments should follow up on all orders to ensure the department executes approvals in time to permit posting the orders in Banner.

June 23, 2014

Orders to Campus Stores for equipment and supplies, including purchases made through General Accounts Receivable (GAR), must be received by Campus Stores, no later than 5:00 p.m. in order to be charged to FY14 funds.
All Accounts Receivable (SAR and GAR) feeders for FY14 must be submitted by 5:00 p.m.

June 24, 2014

Prior period pay adjustments submitted by 12:00 p.m. will be paid on Friday, June 27, 2014. BW13 payroll calculation will run this evening. Departmental approvers must complete payroll approvals by 12:00 p.m. Superusers must complete payroll approvals by 5:00 p.m. Current pay period adjustments must be submitted through the Payroll Adjustment Request Interface System (PARIS) by 10:00 a.m. on June 25.

June 30, 2014

The end of FY14. See critical dates in July 2014 for processing, adjusting and closing entries for the final June 2014 Banner financial record.

All Accounts Receivable (SAR and GAR) manual charges and credits for FY14 must be submitted by 5:00 p.m. Online Accounts Receivable charges and credits submitted after 5:00 p.m. on June 30, 2014, will post in FY15.

All monies that are to be deposited into a University fund for FY14 must be received by the OBFS Cashier Operations by 2:00 p.m. Cashiers cannot ensure that cash receipts or deposits received after the 2:00 p.m. deadline will be processed in FY14.

All payments for student accounts must be received by the OBFS Cashier Operations by 2:00 p.m. Cashiers cannot ensure that cash receipts or deposits received after the 2:00 p.m. deadline will be processed in FY14.

All requisitions (Banner and iBuy) remaining on FY14 state funds will be cancelled.

Contracts executed after June 30, 2014, will be charged to FY15 funds.

FY14 state fund 100014 will be inactivated from use in iBuy. All FY14 state funded orders should be approved and removed from all iBuy department approval queues.

P-Card and T-Card transactions with a transaction (swipe) date of June 30, 2014, or earlier and which are received and reconciled by the University by July 11, 2014, will be charged to FY14. P-Card and T-Card transactions, regardless of the transaction date, reconciled after July 11, 2014, will be charged to FY15.

Departments must clear all overdrafts in gift and endowment income funds.

July 1, 2014

FY15 begins.

FY14 state funds lapse period begins (see Section D. Definitions).

Banner transaction dates must be **manually changed** to a June date for *any journal voucher* that should post in FY14. Banner will default transaction dates to July, and failure to manually

modify the date will result in posting the transaction to FY15.

State fund codes are specific to the fiscal year; FY14 state fund codes end in 14 (such as 100014) and FY15 state fund codes end in 15 (such as 100015). All index codes that include an FY14 state fund code will be automatically changed to the related FY15 state fund code. Therefore, after June 30, anyone relying on *index codes* to post appropriation year 2014 state fund transactions must **manually change** the automatically populated fund code from 100015 to 100014.

The FY15 state fund code 100015 will be activated in iBuy.

iBuy user personal profiles that include the FY14 state fund code as part of their default C-FOAPAL setting must be **manually updated** to change the default fund code from 100014 to 100015.

All P-Card *default* C-FOP codes that include a FY14 state fund code will be converted automatically to the FY15 state fund code ending in 15. The coding for P-Card purchases involving state funds needs to be reviewed carefully during June and July. Purchases made in June must use fund code 100014 and purchases in July must use fund code 100015.

All Travel and Expense Management system (TEM) project codes that include an FY14 state fund will be copied and new project codes created to reflect the FY15 state fund code ending in 15. TEM documents (including T-Card) involving state funds need to be reviewed carefully during June and July. Travel/purchases made in June must use fund code 100014 and travel/purchases in July must use fund code 100015.

State funded payroll appointments (excluding state funded 9/12 appointments) will be converted automatically on job labor distribution records to the FY15 state fund code ending in 15.

The last two digits of the Federal Work Study funds will change from 14 to 15 to reflect the new fiscal year.

All Federal Work Study funds reported on job labor distribution records will be converted automatically to the FY15 funds ending in 15.

The labor encumbrance process for FY15 will be disabled until July 14. As a result, users will not see labor encumbrances post in FY15 until after this date.

July 2, 2014	Submit requests for budget transfers and exchanges involving state or institutional funds to the respective campus Budget Office.
July 3, 2014	Labor redistributions of FY14 payroll charges must use a June transaction date and be approved (the labor redistribution must be at disposition 60) in Banner by 5:00 p.m. to appear on the June preliminary statements . Notification of fabricated equipment completed and construction completed as of June 30 must be reported to UAFR - University Property Accounting and Reporting.
July 6, 2014	Current year labor encumbrances will be liquidated. Users should be aware of this event when monitoring their departmental budget balances available (BBA) during the FY14 closing process, because not all of the accrual payrolls (MN 7 and BW 14) will have posted to Banner at this time. Users should carefully monitor their BBAs during this time period. Note: The multi-year labor encumbrances representing salary and fringe charges to be incurred in future fiscal years on grant and federal agriculture funds will NOT be liquidated.
July 7, 2014	Banner statements for June transactions posted through July 5 will be available on View Direct. These statements will only include payroll charges for Biweekly Period 13 (BW13); they will not include payroll accruals for Monthly Period 07 (MN7) or Biweekly Period 14 (BW14).

These preliminary period 12 statements will also contain all current year labor encumbrances, including the FY14 portion of MN7 and BW14. Users should be aware of this situation when analyzing their preliminary statements.

MN 7 payroll calculation will begin this evening. Current pay period adjustments must be submitted through the Payroll Adjustment Request Interface System (PARIS) by 10:00 a.m. on July 8.

Retainage fees and payables on construction contracts must be received by UAFR – University Property Accounting and Reporting for posting in FY14.

July 8, 2014

BW14 payroll calculation will run this evening. Departmental approvers must complete payroll approvals by 12:00 p.m. Superusers must complete payroll approvals by 5:00 p.m. Current pay period adjustments must be submitted through the Payroll Adjustment Request Interface System (PARIS) by 10:00 a.m. on July 9.

All FY14 purchase order related invoices and other invoices which are not appropriate to process via the Travel and Expense Management system (TEM), regardless of funding source, must be submitted to University Payables by 5:00 p.m. in order to post in FY14 via the Banner A/P system.

All travel and other reimbursement expense reports for travel or purchases made prior to July 1, 2014, regardless of funding source, must be approved in the Travel and Expense Management system (TEM) in order to post in FY14.

July 10, 2014

Labor redistributions of FY14 payroll charges, excluding 2014 MN7 and 2014 BW14, must use a June transaction date and be approved (the labor redistribution should be at disposition 60) in Banner by 5:00 p.m. to appear on the June Period 12 statements.

Labor redistributions involving accrued payrolls, 2014 MN7 and 2014 BW14, must be entered and approved (the labor redistribution should be at disposition 60) in Banner by 5:00 p.m. to appear on the June Period 12 statements; **however, special instructions apply to enter the transaction date correctly.**

A Year-End Labor Redistribution Job Aid describing how to enter the transaction date for labor redistributions of **accrued** payrolls is available on the OBFS Training Center website:

<http://www.obfs.uillinois.edu/common/pages/DisplayFile.aspx?itemId=920040>

Labor redistributions cannot be processed in June Period 14.

Software development projects completed must be reported to UAFR – University Property Accounting and Reporting.

July 11, 2014

All FY14 transactions routed to approval queues, including general ledger and accounts payable transactions, must be approved by 5:00 p.m. to appear on FY14 statements.

All P-Card and T-Card transactions with a transaction date of June 30, 2014, or earlier must be reconciled and approved by 5:00 p.m. in order to post to FY14. Any unapproved P-Card transactions using an FY14 state fund code will have the fund code changed automatically to the FY15 state fund code ending in 15.

All receiving reports required for FY14 purchase orders must be completed in Banner by 5:00 p.m. in order for the transactions to appear on FY14 statements. Receiving reports completed after this date for FY14 orders will cause the transactions to post in FY15.

All iBuy departmental approval queues must be cleared out before the July 12 year-end roll. **This requires a final action; i.e., approval or rejection of all requisitions (regardless of**

source of funds) in the department approval queues. To assure this deadline is met, units should perform this final action by 2:00 p.m.

Last day to process general ledger and accounts payable feeder system transactions into FY14. Users are strongly encouraged to process earlier if possible.

Last day to process adjustments to encumbrances in FY14. After encumbrances roll into FY15, Banner does not allow users to adjust these rolled encumbrances in FY14.

All journal vouchers payable from FY14 funds (including stores/service transactions chargeable to FY14 state funds) must be entered into Banner by 5:00 p.m. Users attempting to enter journal vouchers after this deadline will be unable to complete the journal vouchers because of Banner year-end security. Special arrangements should be made with UAFR – University Accounting Services if FY14 journal vouchers need to be processed in Banner after July 11. No labor redistributions to or from FY14 state funds can be processed in FY15.

All FY14 journal vouchers using capital asset (equipment/construction) account codes must be submitted to Banner by 5:00 p.m. Any subsequent transactions using these codes must be reviewed with UAFR - University Property Accounting and Reporting.

Equipment acquired with FY14 funds must have associated acquisition attributes entered into FABweb and submitted to UAFR – University Property Accounting and Reporting by 5:00 p.m.

FY14 general encumbrances for petty cash and travel expenditures incurred, but not reimbursed must be posted by the department by 5:00 p.m. When possible, vouchers to reimburse these expenditures should be processed instead of recording encumbrances. General encumbrances for contractual services, such as honoraria, leases or other contractual agreements, must be posted by 5:00 p.m. See more details in Section F under item 2b, Contracts and Other Non-Purchase Order Encumbrances.

All FY14 expenditures for State of Illinois sponsored projects (funds 560000 through 599999) that require June 30 billings and reports must be processed by 5:00 p.m.

July 12, 2014

June period 12 is closed.

General ledger balances, encumbrances, and reservations will roll to FY15.

July 14, 2014

The labor encumbrance process for FY15 will be activated.

June period 12 statements are available on View Direct. These statements will include payroll accruals (FY14 portion of payroll paid in July) for Biweekly 13 (BW13), Biweekly 14 (BW14), and Monthly 07 (MN7).

Notification of equipment received as of June 30, but not paid for must be reported to UAFR – University Property Accounting and Reporting.

July 16, 2014

Fact Sheets for all *self-supporting* and *certain practice plan* funds are required to be submitted using the FY14 Year End Fact Sheet submission tool. The submission tool and other related resources may be accessed through the link below, under “Useful Year End Resources – Fact Sheet Resources”:

<http://www.obfs.uillinois.edu/accounting-financial-reporting/year-end-procedures/>

All non-cash exchange transactions for FY14 are due to UAFR – University Accounting Services Division by 5:00 p.m. using the “Report of Non-monetary Exchanges Form” located at:

<http://www.obfs.uillinois.edu/common/pages/DisplayFile.aspx?itemId=927412>.

See also OBFS Policies & Procedures [Section 13.7](#).

Units offering Study Abroad Exchange Programs must submit their “Report of Incoming/Outgoing Students” as of June 30, 2014, to their campus Study Abroad office by 5:00 p.m. The form (with contact information) is available at the following link – <http://www.obfs.uillinois.edu/common/pages/DisplayFile.aspx?itemId=927390>.

July 22, 2014	BW15 payroll calculation will run this evening. Departmental approvers must complete payroll approvals by 12:00 noon. Superusers must complete payroll approvals by 5:00 p.m. Current pay period adjustments must be submitted through the Payroll Adjustment Request Interface System (PARIS) by 10:00 a.m. on July 23.
July 26, 2014	After Banner processing has completed, June period 14 will be closed in Banner. Where applicable, operating ledger budget balances will roll to FY15.
July 28, 2014	June period 14 statements should be available on View Direct. The FY15 beginning balances are static after the period 14 closing.
August 6, 2014	All invoices and miscellaneous vouchers to be funded by FY14 state funds, for goods or services contracted for in FY14, but received or rendered after June 30, 2014, must be submitted to University Payables or be entered and approved in the TEM system (if appropriate).
August 7, 2014	FY15 July period 01 is closed. .
August 11, 2014	July period 01 statements should be available on View Direct.
August 22, 2014	All appropriation year 2014 state-funded transactions, including general ledger and accounts payable transactions, routed to approval queues must be approved by 5:00 p.m. for posting to occur during the lapse period. Once August period 02 is closed in Banner, no more transactions will be allowed on the FY14 state fund code 100014. Users should carefully monitor their lapse period transactions and spending in order to make any necessary corrections before the month of August is closed. All receiving reports required for state-funded FY14 purchase orders where the goods are received after June 30 must be completed in Banner by 5:00 p.m. in order to post during the lapse period.
August 31, 2014	The end of the state appropriations lapse period. All FY14 state fund codes, including 100014, will be terminated in Banner. After the month of August is closed, no more transactions will be allowed on FY14 state funds.
September 1, 2014	All FY14 state-funded purchase orders will be closed. All FY14 state-funded standing orders will be closed. Other standing orders will be closed based on individual review.
September 4, 2014	August period 02 is closed.
September 5, 2014	Unrelated business taxable income (UBIT) schedules for FY14 must be submitted to UAFR - University Accounting Services by 5:00 p.m.
September 8, 2014	August period 02 statements should be available on View Direct

D. Definitions

Allowance for uncollectible accounts – An allowance for uncollectible accounts is an estimate of the uncollectibility of past due receivables. The balance is an offset to the accounts receivable balance and is used to write off accounts that are deemed uncollectible.

Bad debt expense – A bad debt expense is an entry booked against the appropriate expense account to record adjustments to the allowance for uncollectible accounts.

Banner fund type table – A table that includes the Banner fund type and Banner range of fund codes assigned to that particular source of funds. (See Section L. Banner Fund Type Table)

Budget balance available (BBA) – Equal to the revised budget less expenditures and encumbrances/reservations.

Cash receipt – A pre-numbered form used to record receipt of funds at the time of sale.

C-FOAPAL – The accounting string attached to each Banner transaction. The string is represented by the following segments:

C = Chart – The Chart code refers to a specific campus.

F = Fund – The Fund code uniquely identifies a source of revenue for financial reporting purposes. The nature of certain revenue streams requires the revenues and the associated expenses be accounted for separately. The fund represents that accounting entity with a self-balancing set of accounts.

O = Organization – The Organization code tracks financial activity by functional reporting unit such as campus, college, school, department, division, and cost center.

A = Account – The Account code classifies accounting transactions by type and categorizes the financial activity into asset, liability, equity, revenue and expenditure designations.

P = Program – The Program code classifies accounting transactions by function; i.e., instruction, research, public service, academic support, student services, institutional support, operation and maintenance of plant, scholarships and fellowships, auxiliary enterprises, hospital and medical activities, independent operations, and storeroom and service activities. Within these major functions, units use distinct program codes to further identify these functions.

A = Activity – The Activity code is an optional segment in Banner used to track temporary events or projects.

L = Location – The Location code is an optional segment in Banner used mainly for fixed assets to track building and geographic locations.

Encumbrances – Funds set aside to acquire goods or services under the terms of a University purchase order, contract or miscellaneous obligation for services with non-employees (e.g., honoraria), or for travel or petty cash expenditures incurred. All outstanding encumbrances excluding current year labor encumbrances and memo encumbrances will be rolled into FY15 on July 12, 2014. These are also known as “commitments” in Banner terminology.

Feeder – An electronic file that contains a large volume of journal entries, charges, or payments that are posted to Banner. The file is often generated through another Banner process.

Fiscal year – The fiscal year begins on July 1 and ends on June 30 of the following year. Fiscal Year 2014 (FY14) is from July 1, 2013, through June 30, 2014. Fiscal year 2015 (FY15) is from July 1, 2014, through June 30, 2015.

FY14 state funds – Funds containing budget from state appropriations for the period July 1, 2013, through the lapse period, August 31, 2014. Note the last two digits of the state fund code correspond to the state appropriation year. Charges against the FY14 state appropriations should use the Banner state fund code ending in 14.

FY15 state funds – Funds containing budget from state appropriations for the period July 1, 2014, through the lapse period, August 31, 2015. Note the last two digits of the state fund code correspond to the state appropriation year. Charges against the FY15 appropriations should use the Banner state fund code ending in 15.

Institutional funds – Includes indirect cost recovery (ICR) funds, educational and administrative allowance funds, and patents, copyrights, and royalty funds. (See Section L. Banner Fund Type Table)

Journal entry – Journal transactions used to record original entries or adjustments and corrections to previously posted transactions. The debit and credit amounts on the journal transaction must equal.

Lapse period – The period from July 1, 2014, through August 31, 2014, as it pertains to the expenditure of FY14state appropriated funds. Encumbrances on FY14 state funds as of the end of FY14 period 12 must be paid by the end of the state lapse period.

Other non-state funds – Includes federally appropriated funds, gift funds, grant and contract funds, self-insurance funds, and plant funds. (See Section L. Banner Fund Type Table)

Period 12 – The period of June designated for departmental processing of FY14 transactions in Banner. The period closes on July 12, 2014.

Period 14 – The accrual period in June designated for OBFS-only processing in Banner. The period closes on July 26, 2014.

Practice plans – Medical Service Plan (MSP)/Dental Service Plan (DSP)/Nursing Service Plan (NSP)/Occupational Health Service Plan (OHSP) are plans approved by the Board of Trustees under State of Illinois statutes to bill and collect for health care professional services provided at University facilities.

Reservations – Memorandum entries in the current fiscal year to set-aside funds for future expenditures. All reservations (requisitions) on FY14 state funds will be deleted on June 30, 2014. Reservations on other funds will be rolled into FY15 on July 12, 2014.

Self-supporting funds – Funds, including service departments, storerooms, auxiliary enterprises and departmental activity funds that depend upon self-generated income (sales) to support their operations. (See Section L. Banner Fund Type Table)

Sponsored project funds – Funds provided by entities outside the University, which have a defined scope or objective, and include reporting requirements.

Sponsored project overdrafts – Expenditures exceeding the sponsored project award amount including the sum total of all funds related to the project.

E. Disposition of Fund and Budget Balances as of June 30

1. State Funds

The respective campus OBFS Budget Office reviews state budget balances at fiscal year-end. They determine whether a State fund overdraft or surplus exists at each college/administrative-unit level based on the net budget balance available. They also provide guidance to college/administrative unit business officers regarding the year-end state budget close process.

The budget balance available takes into account both actual expenditures to date and unpaid encumbrances. It is very important that you review the accuracy of your non-personnel services encumbrances shown on the May statements and those recorded during June. Any necessary additions and/or corrections to these encumbrances should be made **no later than July 11, 2014 (during FY14 period 12)**. Any salary encumbrances remaining on state funds after the accrued payrolls are calculated in July will be eliminated automatically before the final state budget rollup balances are reviewed by the Budget Office.

Final FY14 state budget balances available and non-personnel services encumbrances will be rolled forward to FY15 on the prior state appropriation year fund code 100014. This move will facilitate the payment of valid obligations related to FY14 during the lapse period months of July and August. Vouchers paid from state funds during the lapse period that liquidate valid recorded encumbrances outstanding as of June 30, 2014, will be posted to the FY14 state fund in fiscal year 2015. Balances that remain unexpended on these lapse period funds, as of August 31, 2014, will not be available after that date.

Once August period 02 is closed in Banner, no more transactions will be allowed on the FY14 state fund code 100014. Users should carefully monitor their lapse period transactions and spending and make any necessary corrections to ensure available FY14 State fund appropriations are fully expended before the month of August is closed.

2. Institutional Funds - Governed by University Guidelines – Balances Forward

State of Illinois Legislative Audit Commission *University Guidelines* define the allowable balances that can be carried forward. For purposes of the carry forward calculation, institutional funds include indirect cost recovery and cost of educational and administrative allowances. Unencumbered balances, combined on an overall institutional basis, cannot exceed 30% of the current year's budget (FY14) for these funds. Accurate encumbrances are equally important for determining excess institutional funds as they are for determining state funds available to be expended prior to the end of the lapse period. Only June 30 encumbrances that are actually paid during the lapse period (July 1, 2014 to August 31, 2014) will be considered valid in preparing the excess funds calculation.

Encumbrances will be rolled forward into FY15 on July 12, 2014. Budget balances available will be rolled forward as of July 26, 2014, into the appropriate FY15 institutional fund.

FY14 institutional fund budgets per se will not be carried forward. However, FY15 budgets will be composed of two components:

- Departmental allocations and earnings estimate recorded in Budget Development for FY15, and
- An unencumbered/adjusted balance forward, which is the amount of the carryover.

3. Self-Supporting Funds – Governed by University Guidelines

The State Finance Act and the Legislative Audit Commission *University Guidelines* require a review of all service, storeroom, auxiliary enterprise and departmental activity funds to determine the reasonableness of cash

balances. Excess cash balances must be lapsed to the University Income Fund. Accurate balances in general ledger account codes are extremely important, as general ledger data are used to calculate self-supporting excess funds. Units with self-supporting activities must complete an electronic Fact Sheet for each self-supporting fund they operate (see Section 5: Fact Sheet Requirements below). The Fact Sheet is subject to audit by the independent Certified Public Accounting firm engaged by the Auditor General of the State of Illinois. Before completing the Fact Sheet, the June period 12 financial statements should be reviewed carefully to determine whether year-end closing/adjusting entries are needed to reflect accurate account code balances. The Fact Sheet should also be reviewed carefully by a supervisor before finalizing and submitting to University Accounting and Financial Reporting.

Information about Chicago campus hospital and ambulatory unit self-supporting activity will be consolidated centrally; those units are not required to complete individual fact sheets.

4. Practice Plan Funds

Units with operating responsibilities for practice plan funds must post certain accrual and deferral entries at fiscal year-end (see Section 5: Fact Sheet Requirements below). The Fact Sheet is subject to audit by the independent Certified Public Accounting firm engaged by the Auditor General of the State of Illinois.

Before completing the Fact Sheet, carefully review June Period 12 financial statements to determine the need for year-end closing entries. The Fact Sheet should also be reviewed carefully by a supervisor before finalizing and submitting to University Accounting and Financial Reporting.

MSP units – Entries as listed below in Section 5: Fact Sheet Requirements are prepared and posted in Banner as follows:

Receivable related items: Central MSP Office
Other items: Departmental MSP Offices

DSP/NSP/OHSP units – Fact sheets are prepared by the responsible college Dean’s office and submitted using the electronic Fact Sheet application for review and entry into Banner.

5. Fact Sheet Requirements – Self-Supporting and Certain Practice Plan Funds

Fact Sheet data is required from each department with self-supporting (all campuses) or DSP/NSP/OHSP practice plan (UIC and UIUC) funds. Not all accrued transactions are recorded in our normal accounting process, and those that are not must be reported on Fact Sheets to ensure that the Banner general ledger records accurately reflect the fund’s financial condition as of June 30, 2014. OBFS UAFR - University Accounting Services will post to Banner the information reported on the Fact Sheets.

A Fact Sheet for each service, storeroom, auxiliary enterprise, departmental activity, or DSP/NSP/OHSP practice plan fund must be submitted by 5:00 p.m. on July 16 using the FY14 Year End Fact Sheet Submission Tool, accessible using the following link under “Useful Year End Resources – Fact Sheet Resources”:

<http://www.obfs.uillinois.edu/accounting-financial-reporting/year-end-procedures/>

A separate Fact Sheet should be prepared for each active fund. Fact Sheets are not required for terminated funds.

The Fact Sheet should be carefully completed and **the information needs to be accurate, regardless of dollar amount to report; there are no minimum dollar thresholds.** The Fact Sheet should also be reviewed carefully by a supervisor before finalizing and submitting them to University Accounting and Financial Reporting.

Job aids to use the electronic Fact Sheet are available at the link above. Questions concerning the Fact Sheet requirements may be directed to Nick Deitch ndeitch@uic.edu, Jason Bane jabane@uillinois.edu or Roger Fredenhagen frednhgn@uillinois.edu.

The electronic Fact Sheet contains the following elements, each of which must be addressed:

1. Provide fund code, fund description, and individual's name and phone number to contact with questions.
2. Indicate any change from FY13 in the activity(ies) or purpose for which the fund is being used.
3. Indicate the approximate percentage of total income to the fund that is derived from each source.

SOURCE	%
University Departments (includes grants)	
Students/Faculty/Staff	
General Public (Non-University Customers)	

4. Indicate if the fund should be terminated after the current fiscal year and describe the plan to remedy the balance or deficit in the fund.
5. Indicate whether no information needs to be reported because none of the remaining questions apply.
6. If there is a petty cash or change fund used in connection with this activity as of June 30 which has been funded from internal departmental resources (not USFSCO), please provide the applicable information requested on the “Petty Cash” tab of the Fact Sheet Excel template.
7. Itemize accounts receivable from sources external to the University. **The source, CFOAP, and amount of each must be listed.** Do not include Banner or GAR accounts receivable or any other receivables already posted to your fund as of the June Period 12 statements available on July 14, 2014.
8. Are inventories for resale of materials, supplies, merchandise, or other inventorial items involved in the operations? If so, provide the CFOAP and a total inventory value **as of June 30, 2014**. Also provide details of the quantity(ies) and original cost(s)—not selling price—that supports this value. (When publications are included, indicate the date of publication: UAFR will devalue the publication’s inventory by 25% for each year the publication date precedes the current fiscal year.) Indicate whether a perpetual or periodic inventory system is used to value each inventory amount listed. **All values must reflect the amount of inventory on hand as of June 30.** If a physical count of the inventory was done at a date other than June 30, that balance must be adjusted for all purchases and sales between the date of the physical count and June 30. Please see OBFS Business and Financial Policies and Procedures Sections 13.6.1 (UIC) and 13.6.2 (UIUC) on Storerooms and Service Activities, and Section 22 *Conduct a Physical Inventory to Adjust Your Merchandise Inventory Record* for further explanation.
9. Itemize prepaid expenses (deferred charges) by CFOAP. Prepaid expenses are defined as amounts charged to this fiscal year (FY14) for goods or services that will not be rendered until the next fiscal year (FY15).

10. Itemize accounts payable that are not recorded in your Banner accounts payable balance or otherwise have not already been posted to your fund as of the June period 12 statement (available on July 14, 2014). Accounts payable is defined as amounts due to vendors, suppliers, etc., for goods or services received as of June 30, 2014. The vendor, CFOAP, and amount must be listed.
11. Itemize deferred income by CFOAP. Deferred income is defined as monies collected in this fiscal year (FY14) to pay for specific goods/services that will not be provided until the next fiscal year (FY15). For example, monies collected before June 30, 2014, for subscriptions or publications to be issued July 1, 2014, or after is deferred income. When a single payment is made for a specific good/service that overlaps June 30, the payment should be prorated. Deferred income should not be confused with “surplus” income, which is the balance from payments for current year services that is left over at the year’s end.

6. Gift and Endowment Income Funds

Departments must eliminate all overdrafts on all types of gift and endowment income funds by June 30, 2014. Gift and endowment income funds are administered centrally by UAFR - University Accounting Services located in Urbana. For assistance contact Nikki Melander at 217-333-9138 melander@uillinois.edu or John Laroe at 217-333-9133 jmlaroe@uillinois.edu.

7. Grant and Contract Funds

Overdrafts in sponsored project funds (400000—599999) must be eliminated by May 23, 2014, unless the project will be continued with additional funds as documented on an approved Request for Anticipation Fund (Form GC70), or prior arrangements have been made with the Grants and Contracts Office. If efforts are not made to clear unauthorized overdrafts, the Grants and Contracts Office may transfer overdrafts to departmental funds.

8. Other Non-State Funds

General ledger balances remaining after the closing of period 14 on July 26, 2014, will be carried forward. Balances in inactive funds should not be carried forward unnecessarily into fiscal year 2015. By May 23, 2014, departments should eliminate balances in all inactive funds and request the fund be terminated by emailing CFOAPMAINTENANCE@uillinois.edu.

F. Procedures for the Encumbrance of and Payment from FY14 Funds

1. Internal Transactions

State regulations prohibit any agency from creating an encumbrance with itself. Therefore, departments may not create encumbrances for stores and service transactions. All stores and service vouchers chargeable to FY14 state funds must be entered into Banner by the close of business on July 11, 2014. This is also the last date for processing FY14 feeder system transactions into Banner. However, users are strongly encouraged to post all transactions earlier if possible to allow time for corrections. Common stores and service vouchers are those related to Physical Plant, Campus Stores, other storerooms, duplicating, telecommunications, information technology services, and various auxiliary activities. Purchases from these units must be completed (ordered and delivered) by June 30 in order for the purchase to be charged to FY14 funds. When transferring expenditures that include equipment account codes between FY14 funds, see Section K – Fixed Asset Accounting.

2. Encumbrance of FY14 Funds

UIC Purchasing will issue revised I-Buy requisition instructions for UIC units on March 17

2a. Purchase Orders

Completed and approved requisitions for purchases of goods and services that are to be charged to your FY14 budget must be received by the Purchasing Division by the dates listed below to ensure the encumbrance of FY14 funds. If the deadline dates indicated below are not met, Purchasing cannot guarantee that your transaction will be completed prior to July 1. Requisitions received by the Purchasing Division for which encumbrances cannot be entered by June 30, 2014, will be charged to FY15 funds.

Amount or Type of Requisition	Deadline for Receipt by Purchasing
\$1,000,000 or more for commodities, general services and/or professional and artistic services	February 21, 2014
\$54,600 to \$999,999 for commodities and general services \$20,000 to \$999,999 for professional and artistic services	March 7, 2014
Up to \$19,999 for professional and artistic services Up to \$76,600 for construction and construction-related services (excluding professional services) Up to \$54,600 for commodities and general services All iBuy completed and approved requisitions from \$5,000 up to \$54,600	May 9, 2014

Delays in submitting renewals for orders above the Sealed Bid Limits may result in (a) being unable to exercise the option for renewal thus requiring a new bid/RFP, or (b) the Procurement Policy Board not providing a waiver,

which would delay issuance of the order and/or payment by 30 days and require the department to appear at a public hearing in Springfield.

For requests for Sole Source purchases and orders requiring Board of Trustees approval, documentation needs to be submitted to the Purchasing Division with sufficient time to meet special processing requirements and obtain the necessary approvals. These orders are due to the Purchasing Division by the following dates:

Sole Source Purchases Due to Purchasing Division	All Other Purchases (requiring BOT approval and non-Sole Source) Due to Purchasing Division	Board of Trustees Meeting Dates
February 28, 2014	March 21, 2014 -- All formal bidding, valuations, approvals, etc. must be completed by this date	May 14, 2014

Purchase orders issued after July 1 will be encumbered against and charged to your FY15 budget.

Renewable and multi-year purchase orders present unique complications at year-end. Invoices dated prior to July 1, 2014, will be financed from FY14 funds. Invoices dated July 1, 2014, and thereafter are chargeable to FY14 funds only if the call (order) for the goods or services was placed prior to July 1, 2014. If the call (order) for the goods or services occurred after June 30, 2014, then payment of the invoice must be financed with FY15 funds on a new Banner purchase order effective in FY15.

Adjustments to purchase order (PO) encumbrances must be made using a change order to the original purchase order. Journal vouchers cannot be used to adjust PO encumbrances because the changes will not be reflected properly on the purchase order. A written request or email requesting the necessary adjustment to the purchase order should be sent to the responsible buyer by June 1. Requests for increases in purchase order encumbrances, particularly on standing orders, should allow for a sufficient remaining encumbrance amount to cover payment for goods or services requested through the end of FY14. Since any remaining standing order encumbrances are closed at the end of the fiscal year lapse period, the Purchasing Division will not initiate change orders to reduce encumbrances on standing orders.

2b. Contracts and other non-Purchase Order Encumbrances

Contracts encumbering FY14 state and non-state funds for services provided in FY14 must be executed by June 30, 2014, and prior to the commencement of services. Contracts for professional and artistic services may be encumbered against FY14 state funds only if the services, or the portion of the services to be funded from FY14 funds, will be completed prior to July 1, 2014. Professional and artistic services for \$20,000 or more are subject to a competitive selection process.

Contracts requiring a competitive selection process must be received in the Purchasing Division in accordance with dates shown in Section C. Calendar of Critical Dates (March 7, 2014). Contracts executed after June 30, 2014, will be charged to FY15 funds.

Professional and artistic services must be performed on or before June 30 in order to be paid from FY14 state funds during the lapse period. Services that are encumbered but not yet performed by June 30 cannot be paid from FY14 state funds and the encumbrance should be removed.

Locally funded contracts under \$5,000 encumbering FY14 funds for services in FY14 should be submitted by

June 30 to University Payables. Contracts executed after June 30, 2014, for services in FY15 will be chargeable to FY15 funds.

Approved invoices payable from FY14 state appropriations must be received in University Payables or be completed and approved in the Travel and Expense Management system (TEM) as appropriate, by August 6, 2014, to ensure payment from state funds during the lapse period.

2c. Expense Reports (Travel Reimbursements and Miscellaneous Payments) and Purchase Order Payments

Every effort should be made by the unit to ensure expense reports are completed and approved in the TEM system (if travel occurs prior to July 1) no later than July 8 in order for the expenses to be recorded in FY14. For those payment types that are not initiated in the TEM system and the goods/services were received prior to July 1, 2014, the invoice must be submitted to University Payables no later than July 8 in order for the expenses to be recorded in FY14. Encumbrances should be entered to the extent that goods and/or services will be received and/or travel performed but not invoiced in Banner by June 30, 2014. Therefore, any goods/services received or travel taken prior to June 30 should be encumbered in Banner before the close of Period 12.

2d. Encumbrances and Reservations

Any encumbrances outstanding in Banner as of FY14 Period 12 (ending July 12) will be rolled forward to FY15. Reservations on state funds will not be rolled forward to FY15.

3. Payment of FY14 Encumbrances after June 30

State law limits the payment of prior year state-funded obligations to the lapse period (July 1 - August 31, 2014). To meet the lapse period deadline for state-funded obligations, University Payables must receive approved State-funded invoices and expense reports by August 6, 2014. The Office of Business and Financial Services will exercise due diligence in expediting shipments and vendor invoices. If payment of outstanding FY14 state encumbrances during the lapse period is not possible, payment will be made from a department's FY15 local or institutional fund. Payment, in such cases, cannot be charged to either FY14 or FY15 state funds but will instead have to be charged to a different funding source such as institutional funds.

Payments from non-state funds that liquidate outstanding encumbrances as of June 30, 2014, are not bound by the lapse period time frame. However, under the Legislative Audit Commission *University Guidelines*, unexpended institutional funds (not including patents and royalties) and self-supporting funds may be subject to lapse to the income fund.

NOTE: Units should review the Receipts Required Report on the OBFS Purchases Reports Web page at <http://www.obfs.uillinois.edu/purchases/reports/> to ensure that receiving reports are completed for any FY14 purchases requiring a receiving report prior to payment. Units must complete the receiving report by July 11 to have the expenditure recorded in FY14. Receiving reports for FY14 state-funded orders where the goods are received after June 30 must be completed by August 22 in order to be recorded in the lapse period.

G. Payroll

Labor redistributions of FY14 payroll charges must be approved (the labor redistribution should be at disposition 60) in Banner by 5:00 p.m. on July 3, 2014, to appear on the June **preliminary statements**, and by 12:00 p.m. on July 10, 2014, to appear on the June period 12 statements. Redistributions, excluding 2014 MN7 and 2014 BW14, must use a June transaction date to post in FY14. **Labor redistributions involving accrued payrolls, 2014 MN7 and 2014 BW14, must follow special instructions to enter the transaction date correctly and post in the appropriate fiscal years.** A Year-End Labor Redistribution Job Aid describing how to enter the transaction date for labor redistributions of accrued payrolls is available on the OBFS UAFR website:

<http://www.obfs.uillinois.edu/common/pages/DisplayFile.aspx?itemId=920040>

Labor redistributions cannot be processed in June period 14.

The June period 12 financial statements will include an accrual for payroll charges through June 30, 2014, and paid in July 2014. The FY14 accrued payrolls are 2014 BW13, 2014 BW14, and 2014 MN7. 100% of the BW13 pay event will be charged to FY14. 60% of the BW14 pay event will be charged to FY14 and the other 40% will be charged to FY15. 50% of the MN7 pay event will be charged to FY14 and the other 50% will be charged to FY15. The **state-funded** portion for the 9 over 12 appointments on these accrued payrolls will not be split between fiscal years. The full amount will be charged to FY15. 100% of the BW15 pay event will be charged to FY15.

All current year labor encumbrances will be liquidated and closed via an automated process on July 6, which is before 2014 MN 7 and 2014 BW14 post in Banner. Users should be aware of this situation when examining their departmental budget balances available (BBAs) during the FY14 closing process. Multi-year labor encumbrances representing salary charges to be incurred in future fiscal years on grant and federal agriculture funds will **NOT** be liquidated.

Effective July 1, 2014, state appropriated appointments on job labor distribution records (excluding 9/12 employees) will be converted automatically to the new year state fund code (100015). Departments should review all job labor distribution records appointments on non-state appropriated funds and make appropriate fund code changes for the new fiscal year before July 1, 2014.

The following guidelines explain changes to job records funded on state funds:

- Jobs with 9/12 employee classes (AA, AB, BC, and BD) assigned to state fund codes:
 - If the effective date of the appointment is before 6/16/14, use FY14 state fund code (100014).
 - If the effective date of the appointment is 6/16/14 or later, use FY15 state fund code (100015).
- Jobs with non-9/12 employee classes assigned to state fund code:
 - If the effective date of the appointment is before 7/1/14, use FY14 state fund code (100014).
 - If the effective date of the appointment is 7/1/14 or later, use FY15 state fund code (100015).
- **If a terminated job is reactivated, be sure that the state fund code used on the labor distribution record follows the guidelines above.**
- State funded appointments set up before July 1 utilizing an effective dated Job Labor Distribution Record **after** July 1 must be **manually** updated to the new Fiscal Year state fund.

Effective July 1, 2014, all Federal Work Study funds on job labor distribution records will be converted

automatically to the FY15 fund code ending in 15.

H. Accounts Receivable

The following dates and times are critical for campus units that bill student (SAR) and non-student (GAR) customers (through Banner AR :

- June 23, 2014 – Deadline for submitting Banner AR feeders; this will enable USFSCO to process the transactions and record the receivable and revenue in FY14, and allow departments to clear rejected transactions or batches by June 30, 2014.
- 5:00 p.m., June 30, 2014 – Deadline to submit manual charges/credits in Banner AR for FY14.
- After 5:00 p.m., June 30, 2014 – All charges assessed in Banner AR will Post in FY15,

I. Cash Receipts/Departmental Deposits

OBFS University Student Financial Services and Cashier Operations must receive all monies that are to be deposited into a University fund for FY14 by 2:00 p.m. on Monday, June 30, 2014. Cashier Operations cannot ensure that cash receipts or deposits received after the 2:00 p.m. deadline will be processed in FY14.

J. Grant and Contract Funds

For State of Illinois sponsored projects (funds 560000 through 599999), all fiscal year expenditures should be processed by July 11, 2014, or by any earlier document submission deadline dates as designated in the Section C. Calendar of Critical Dates to ensure inclusion of these expenditures on FY14 billings and reports.

FY15 Federal Work Study funds have been established in Banner for use beginning July 1, 2014. Effective July 1, 2014, all Federal Work Study appointments on job labor distribution records will be converted automatically to the FY15 fund code. Index codes for the Federal Work Study program will be updated automatically as of July 1 to reflect the FY15 fund codes. Departmental allocations using state funds will be updated with the new FY15 state fund code (100015). If other changes are needed, please contact your campus Grants and Contracts Office. The new FY15 Federal Work Study funds are as follows:

Urbana	498115
Chicago	498215
Springfield	498415

Facilities and Administrative Costs (Indirect Costs) and Tuition Remission will not be assessed in FY15 until FY14 is closed.

K. Fixed Asset Accounting

Fabricated equipment and construction will only be capitalized and depreciated in the Banner fixed asset module when the equipment or construction is completed and placed in service. Notification of fabricated equipment completed and construction completed as of June 30 must be reported to UAFR - University Property Accounting and Reporting by July 3, 2014. Equipment-related communications must be submitted via FABweb. Accrued liabilities for construction retainage and estimates of the cost of construction work completed but not billed must also be submitted to UAFR - University Property Accounting and Reporting by July 7, 2014.

Equipment acquired with FY14 funds must have associated acquisition attributes entered into FABweb and submitted to UAFR – University Property Accounting and Reporting no later than July 11, 2014. Software development projects completed must also be reported to UAFR – University Property Accounting and Reporting by July 11, 2014. Equipment received as of June 30 but not paid must be reported to UAFR – Property Accounting and Reporting by July 14, 2014.

Whenever journal vouchers transfer funding sources that use “tracked” fixed asset expenditure account codes (see chart below), a separate debit and credit must be entered for **each** item of equipment originally purchased on the FOAPAL being credited, and the Ptag/property control number of the associated asset must be recorded in the JV description, document reference, or FOATEXT field of the journal voucher. All journal vouchers using capital asset (equipment/construction) account codes must be submitted to Banner by 5:00 p.m. on July 11, 2014.

The use of correct account codes on transactions is critical, especially during July. Banner equipment account codes are as follows:

Dollar Value	Account Range
